

Romans 8:32 tells us, *“He that spared not His own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things”*.

In other words, there is absolutely nothing God will not do for us, and that is the extent of His Love. Praise His Holy Name forever!!!

As a man in the image of God, Jesus also was *“filled with all the fullness of God”* because there is nothing He would not do for us (Galatians 2:20; Revelation 1:5-6).

When we are filled with the fullness of God there is nothing we would not do for each other, or for the lost (1 John 4:11).

Simply stated, **when we love to the same extent that God loves, we are filled with all the fullness of God.** This is what Jesus meant when He said, *“If you have seen Me, you have seen the Father”* because God is Love and Jesus fully manifested that love during His earthly walk (1 John 1:4).

As the Church moves into the holiest of all and intimacy with the Father, we will learn the extent of His love for us and as mature sons and daughters we will demonstrate it to the world.

I believe this will result in the final outpouring of God and the final harvest of souls into God’s Kingdom.

When God’s character is fully known (1 Corinthians 13:10-13), His Power will flow unhindered as it did in Jesus of Nazareth who walked in the FULLNESS OF GOD.

## THE FATHER'S LOVE

In this restoration of the Elijah Anointing, one major characteristic that we have learned about is the fathering spirit of Elijah.

Although Elijah had additional attributes such as prayer, passion, power and prosperity he certainly was paternal as well.

The fatherly aspect of the end time anointing brings us to the final revelation which is **The Father's Love**.

It may be that the restoration of this love will result in the Body of Christ becoming the family of God in a practical way. In fact, the Church has exemplified many of the metaphors used in scripture to describe its true nature such as the temple, body, army and bride.

Now we come to the most mature example of what the church should be and that is "family". Ephesians 3:14-16 tells us that God is the *"father of every family named in heaven and earth"*.

The emerging apostolic fathers are moving their networks towards becoming a family of ministry rather than an organization of ministry, as we transition from being religious leaders to real spiritual fathers.

This paradigm shift will be the model of heaven on earth that we have been longing to see. It will distinguish Christianity from all other religions as Jesus said, *"By this shall all men know you are my disciples, because you have love one for another"* (John 13:35).

## GOD IS LOVE

We are moving into this love even as we move from the outer court of faith to the inner court of hope, until we finally go through the curtain and enter the holies of all which is **LOVE**. After all, God isn't faith or hope, but **HE IS LOVE**.

Using the Tabernacle as our measuring tool, we have moved from the evangelical movement in the outer court of sacrifices to the pentecostal/charismatic movement in the inner court of revelation and gifts. We are now in the holiest of all representing the Kingdom movement and full manhood in Christ.

Babyhood, childhood and manhood...first the

blade, then the ear and finally the full corn in the ear.

This is a wonderful time because we are in the time of final revelation. Jesus came in the last days (Hebrews 1:1-3) to bring the final revelation of God.

In the Old Testament they were only servants that God revealed Himself to in bits and pieces through the many names describing His relationship to them. But it took a SON to reveal the FATHER (John 1:18; 14:6-9).

Again using the Tabernacle, it was Jesus in the outer court, Holy Spirit in the inner court and The Father God in the holiest of all!

We are now in the final revelation which reveals the Father Who is LOVE. This will result in the sons and daughters coming to maturity in Christ by having the **"fullness of the Godhead"** dwelling within them.

In order to understand what this phrase in Colossians 2:9 means, we should examine the same word in Ephesians 3:19 also. In the context of this verse, Paul is talking about the love of God and being **"filled with all the fullness of God"**. This word "fullness" is describing the measure of God's love dwelling in us and demonstrated through us.

Paul was measuring God's Love in this passage in order to describe the extent of it when he mentions the **"height, length, depth and breadth of God's love"**.

What is the extent of His love, how far will God go to demonstrate it towards us?
